Great idea! Also, after talking to Julie, Ron plans to just go ahead and share his calendar with her. Do you have any issues with just going ahead and doing the same?

How about this?

Ex. 5 Deliberative Process (DP)

I thought of one more we should add in.

Not Responsive

I think this is going to be one we should have Brittany make the decision on as this will not be as straight forward as most of the requests we get that I'm able to make the decision on. I've asked Candi to give an initial recommendation once we receive it.

Thanks.
Cindy

Thoughts on bullet for briefing?

Cindy - something about sent letter to Kevin etc.

Prasad – something about proposed strategic plan language and budget narrative.
